Re Los Angeles airtel to the Bureau and New York,
7/1/64.

On 9/30/64 former LA 3402-S who has furnished reliable information in the past and who desired her identity be maintained in confidence orally advised that she had learned earlier in the day that Mr. LAWSON is leaving for New York on October 1, and will be gone for approximately six to eight weeks and will return late in November. LAWSON indicated that he will "Be speaking at a lot of meetings and taking care of business while in the New York area". (S)(u)

LAWSON discussed the recently released Warren report regarding the assassination of President KENNEDY. LAWSON feels this report "Is a complete whitewash" and that Warren "Has been silenced by the powers that be". LAWSON also indicated that he feels the question concerning any alleged pay to OSWALD by the Central Intelligence Agency has not been resolved. (S)(u)

Informant got the impression that some of LAWSON's speeches in the New York area might be describing these feelings concerning the Warren report. (S)(u)
